CHILD(REN): _____

PLEASE RETURN ONE FORM PER FAMILY TO THE FRONT OFFICE BY TUESDAY, SEPTEMBER 3, 2013.

My family has already filled out a Donation & Payment form & it is included in _____(sibling's) packet.

Strawberry Point PTA is committed to the education and welfare of our children. Your PTA funds additional programs, technology and supplies above & beyond what is funded by the Mill Valley School District and Kiddo! This year, we need to raise funds to cover: our naturalist, providing teacher, school and student materials & supplies, maintaining the Wetlands and garden, assemblies, PE & playground equipment, Science Fair, Art & Variety Shows, Math Night, library books, any needed repairs & field trip scholarships.

The MAKE A DIFFERENCE (MAD) ANNUAL PTA DONATION (\$275 per student suggested donation) makes the difference between a school filled with paper, basic supplies and a school that is empty of everything except teachers, students, & desks. Our campaign goal is **100% participation** by all families. Some families will be able to give more and some will give less, but your donation will support the community that supports *your* child's success! Any and all contributions, regardless of amount, will be welcomed throughout the year.

BIRTHDAY BOOK CLUB (\$20 per student): All library books and supplies are funded by the SPS PTA through *your* donations. For every \$20, your child can choose one book, and have their name inscribed on the inside front cover. You may also sponsor books for children whose families cannot honor their children in this way.

PTA MEMBERSHIP (\$7.50 per person annually): The education of our children is very important to all of us. Your membership allows you to cast a vote on program, fundraising and spending priorities at our school. You may provide membership information on the back of this form.

FRIENDS OF STRAWBERRY (suggested donation \$50 or more): This new capital campaign will raise funds to replace the main play structure, which will be replaced in 2015 to comply with insurance and safety standards. Funds will also be used for maintenance of the kindergarten structure. Campaign Goal: \$75,000 by January 2015.
