

## Strawberry Point School

### TRAFFIC DUTY CLASS SCHEDULE 2015-2016

In order to keep our community safe and traffic moving efficiently during morning drop-off and afternoon pick-up, each classroom has a designated period of approximately two weeks to volunteer for traffic duty. Parent volunteers ensure that the parking lot is a safe place for our children.

For those of you who like to plan ahead, here is the schedule for the entire year. Room parents will send out a volunteer sign up email about a month before your classroom's scheduled duty. It is the responsibility of every family to participate in a minimum of three volunteer shifts. Please review the traffic guidelines for our school district at <http://www.mvschools.org/Page/1219> before your shifts.

You may sign up for your Traffic Duty shifts now at: [Traffic Duty Signup](#)
