We Feed Your Kids Like Our Own.

Our kids are our customers, literally! Choicelunch co-founders Justin, Keith, and Ryan have 9 children between them, eight of whom are in school. As busy parents, they know how important it is to not have to worry about school lunch. It's one of the reasons why we use **whole ingredients sourced responsibly** from trusted partners. We source fresh antibiotic-free chicken and beef. We avoid anything artificial or processed, especially added nitrites, HFCS (high fructose corn sugar), artificial sweeteners and colors, and hydrogenated oils.
