Families have two options for handling stolen or damaged iPads. All damage, loss, theft, or malfunction must be reported to the Technology Department within 24 hours by emailing iPadSupport@mvschools.org.

**Option 1: Family Responsibility**

Similar to the use of textbooks and/or musical instruments, families assume responsibility for any district-owned equipment/materials issued to students. This policy is pursuant to **CA ED CODE 48904** (see below). If an iPad is stolen, lost or damaged beyond repair, it is the family's financial responsibility to replace the iPad at a price of \$540. If an iPad is damaged, MVSD will work with the family and Apple to determine the cost of the repair. Students will be held responsible for ALL damage to their iPads including, but not limited to: broken screens, cracked plastic pieces, damaged or lost cables/connectors, inoperability, etc. Should the cost of repair exceed the cost of purchasing a new device, the parent will pay full replacement value of \$540. Lost or damaged items such as cases and cables will be billed at the actual replacement cost. If a family is unable to cover the cost of the repair or replacement, a work program may be developed.

**Option 2: iPad Insurance (visit [www.mvschools.org/1to1](http://www.mvschools.org/1to1) for a full copy of the policy)**

We have contracted with the Worth Ave. Group for iPad insurance. The cost of this insurance for the 2022-23 school year is \$39.45 per iPad with a \$0 deductible. This covers accidental damage, including drops/cracked screens and liquid spills, as well as theft, fire/flood damage, vandalism, and natural disasters. The coverage is for the replacement or repair cost of the iPad, and is valid worldwide (on and off school grounds). Because accessories are not covered by the insurance policy, lost or damaged items such as cases and cables will be billed at the actual replacement cost. Note: iPad loss is only covered with a police report. Items stolen from a vehicle are only covered if the vehicle was secured and there is evidence of forced entry.

Please select **one** of the following options:

**Option 1:**

\_\_\_\_\_ We do not wish to purchase insurance and agree to be responsible for any cost associated with loss, theft, or damage to the iPad or accessories during the school year.

**Option 2:**

\_\_\_\_\_ We wish to purchase iPad insurance at a cost of \$39.45 for the 2022-23 school year. There will be no additional cost to parents for any covered damage to or theft of the iPad during the school year. We agree to be responsible for lost or damaged accessories, which are not covered under the insurance program. No premium refunds will be given.

**California Education Code Section 48904**

(a) (1) ... The parent or guardian of a minor shall be liable to a school district or private school for all property belonging to the school district or private school loaned to the minor and not returned upon demand of an employee of the district... (b) (1) Any school district ... whose real or personal property has been willfully cut, defaced, or otherwise injured, or whose property is loaned to a pupil and willfully not returned upon demand of an employee of the district or private school authorized to make the demand may, after affording the pupil his or her due process rights, withhold the grades, diploma, and transcripts of the pupil responsible for the damage until the pupil or the pupil's parent or guardian has paid for the damages thereto, as provided in subdivision (a). (2) The school district ... shall notify the parent or guardian of the pupil in writing of the pupil's alleged misconduct before withholding the pupil's grades, diploma, or transcripts pursuant to this subdivision. When the minor and parent are unable to pay for the damages, or to return the property, the school district or private school shall provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the grades, diploma, and transcripts of the pupil shall be released.
