

Dear Room 11 Parents,

We have our final Eric Carle art lesson with Deb Maddox this week. The students will paste their cut animal pieces onto a background canvas to create a picture. They are very clever and colorful! Hats off to those of you that have been able to help out. It makes all the difference!

Each student is creating a digital book about the animal he/she researched. We are using a program called Book Creator. You will see this, and lots more, at Open House!

The students are learning to tell and write time to the half hour, both analog and digital. They are also studying fractions. Please practice both at home.

Don't forget to visit the fabulous Spring Book Fair this week. It is the last book fair of the year. This year, all of the schools in the district are raising funds to support classroom book libraries for MLK/Bayside Elementary in Marin City. MLK/Bayside is in need of help to get books into their classrooms. They have no PTA or Kiddo! type of foundation to help them. Please bring a cash/coin donation with you to the book sale and place in the mason jars on the tables. Let's fill up those jars. Your generosity is very much appreciated!

If you can volunteer an hour or two to work the book fair registers, please sign up here:
