

Room 13 Homework

October 15, 2018

Please have your child read nightly for 20-30 minutes. On Monday and Tuesday nights, the "book-bag book" should be read. On Wednesday and Thursday nights, students should read their just-right library book. In addition to the reading, kids should follow the directions listed below. Parents, please initial the shaded box to indicate that your child followed the directions.

Monday	Tuesday	Wednesday	Thursday	Friday
Be sure to take a sneak peek at your book to get an idea about the story, then read it with an adult.	Reread your book, with expression, to an adult. Retell it over your fingers to an adult.	Please complete the math homework sheet and read the parent information sheet on basic facts. <i>Bring your library books tomorrow.</i>	Play Boo Bump ☺	Bring your homework folder, book and book bag to school.

*For extra homework go to the Park School Website and click on Teacher Sites and my name, where I have several websites listed for practice and challenge work.

What we are up to in Room 13...

*Reading Workshop: We have been working on being focused, building stamina, retelling, marking our thinking with post-its and finding just right books.

*Writing Workshop: We will begin writing our small moment narratives this week!

*Math: We have been practicing our doubles, halves and +/- 1 math facts and skip counting by 2's, 5's and 10's. If your child struggles with the math facts I sent home this week, please encourage practice through games. My website has some fun fact practice sites.

*Science: We observed our butterfly chrysalis turn into beautiful Monarch butterfly and got to see Rowen's pupa turn into a beetle last week. Both were released into the garden outside of our room!

*Social Studies: We have begun our study of Mexico and are learning about the Day of the Dead, which we will observe with the altars we create in Room 13.

Upcoming Dates:

*Friday October 19th - Spirit Day - Wear your pajamas!! 😊

*Halloween Parade - October 31st 1pm on playground- The Park School teachers are unanimously asking that students not bring weapons to school as part of their Halloween costume. This includes plastic/pretend guns, knives, swords, slingshots, etc. We appreciate your support in making Park School a safe and violence-free environment.

*Day of the Dead Celebration on November 2nd at 8:30am.

*November 5th-16th - Conference Days - 1:45pm dismissal every day

*November 12th - No School - Veteran's Day

Have a great week!
