Classroom Update:

Just a reminder to read the homework closely and to make sure you sign on the gray signature block. The book bag and homework should be **returned on Friday** so they can be checked in and prepared for Monday.

Reading: We are reading every day at Reader's Workshop. I continue to assess children and work one-on-one with strategies and skills at their level. Last week we reviewed and practiced effective reading behaviors. We are practicing reading closely, thoughtfully and with expression.

Writer's Workshop: Our poetry unit continues. The kids have written I am poems, color poems and even a poems using

personification and onamonapia!

Math: We continue to play games, which reinforce adding and subtracting numbers to 10. These are very important math strategies that they will use all year! We have also been learning about coins and their value. Counting change in their piggy banks and wallets is a fun way for them to practice these skills.

FYI:
