

Room 13 Homework

September 24, 2018

Please have your child read nightly. On Monday and Tuesday night please read your just-right library book. On Wednesday and Thursday nights the "book-bag book" should be read. In addition to the reading, students should follow the directions listed below. **Parents, please initial the shaded box** to indicate that your child followed the directions.

Monday	Tuesday	Wednesday	Thursday	Friday
Read your "just-right" library book. See our homework/classwork rubric on Seesaw. Tell your parents about this.	Reread your book and retell it over your fingers to an adult. Don't forget... 2 nd grade potluck dinner 5:30-7:00 Wear blue tomorrow for character day rainbow heart photo!	Read your "just-right" homework book Parents please read the Math Unit Info Sheet Bring your library books tomorrow.	Do the "Pockets at Home" math sheet Put your homework folder and book bag in your backpack for tomorrow!	Bring your homework folder, book and book bag to school.

*For extra homework go to the Park School Website and click on Teacher Sites and my name, where I have several websites listed for practice and challenge work.

Upcoming Dates:

Second Grade Potluck at Park: Tuesday, September 25th 5:30-7:00pm

Character Day - Wednesday September 26th - Wear Blue!!!!

Classroom Updates:

Reading Workshop: We have been learning to choose just right books and developing strategies to keep our "Mind and Eyes" in the book. We are doing a great job being more focused and engaged while reading.

Writer's Workshop: We are concluding our Poetry unit by choosing one poem to revise, edit and publish. Soon we will begin our new writing unit, which will focus on narrative writing through writing about "small moments" in our lives.

Math: We have been practicing our addition and counting strategies through many fun activities. We are learning how to show our thinking and efficient strategies when adding numbers. We have also been learning about coins and money including practicing adding and exchanging coins.

Science: We have had a great time being careful, thoughtful observers of our mealworm friends. We are exploring our questions and making discoveries.

Social Studies: We have done some exploration of maps in our library sessions and continue to work on building our community and following our classroom agreements.

Have a great week!
