

(chorus) Fuzzy ---- Wuzzy! Fuzzy ---- Wuzzy!

Fuzzy little caterpillar,
Just crawling here and there.
Fuzzy little caterpillar,
Just inching everywhere.
I'd see the world anew
If I could crawl around like you.
Oh gee, I'd like to be
A fuzzy caterpillar, too.

(chorus)

Fuzzy little caterpillar,
Your crawlin' days are through.
Fuzzy little caterpillar,
It's sleepy time for you.
When you wake up, you'll see
Somehow you've changed so magically.
Now you're a pretty butterfly!
Come fly away with me.
Pretty little butterfly,
Come fly away with me,
Pretty little butterfly,
Come fly away with me.
