- Board

Goal 1 – Balanced Learners

Each student receives equitable, articulated, relevant, standards' based instruction and support that ensures high levels of achievement. Students learn in classrooms that foster relationships and social emotional wellness; deepen critical thinking, inquiry, and global perspectives; and support their development as citizens and scholars. Inquiring and contributing members

- High Levels of Learning for All
- Social Emotional Wellness and Executive Functioning
- Targeted Academic Support and English Language Development

Goal 2 – Supported Staff

We will provide consistent, ongoing professional growth opportunities to Mill Valley School District Staff.

- Anti-Racism, Equity and Inclusion
- Using data informed metrics to determine needs and set goals for substantial student outcomes.
- Learning Communities

Goal 3 – Communication Parent and Family Engagement

Maintain positive student, staff, parent/guardian, and broader community support for our district and schools.

- Proactively communicate: District to Home/ Classroom to Home
- Engagement of all student groups in school activities
- Formation of Diversity, Equity and Inclusion groups and provided training

Goal 4 – Sound Finance

Procure sustainable sources of operating and capital funding to achieve and support the district's strategic goals.

- Facility Master Plan
- Budget Development Planning
- Bond Exploration

Group Discussion:

Does this LCAP capture the broad categories we have discussed in our conversations as priorities for Mill Valley School District?

How does this support our Foster Youth, English Learners and Low-Income students?

Next Steps

- May 26 Budget Development
- June 9 Public Hearing
- June 17 LCAP Approval
