Question 1:

In what ways have you made connections with your peers during the past two weeks?

Question 2:

Summer typically results in feeling a little behind with school work. How are you currently feeling about your readiness for learning this year?

Question 3:

What adjustments do you anticipate having to make if we transition from distance learning to in-person learning?

Question 4:

Do you feel you have the proper device, connection to internet and materials, and resources to be successful with your assignments?

Question 5:

You have both live instruction and asynchronous learning. What challenges or successes have you had in both?

Question 6:

When you have questions or feel confused, how do you seek help?

Question 7:

What helps you stay motivated to attend class?

Question 8:

Are you aware that you may still receive a school lunch? There is an option to order on the ChoiceLunch app and pick up all lunches on Monday for the week. This will change to every day when we return to in person learning.
