## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2017-18)

Old Mill School is one of six schools in the Mill Valley School District, which is comprised of five elementary schools and one middle school.

Old Mill School is situated in the fern and redwood canyons at the base of Mt. Tamalpais, named after a beautiful princess of Miwok mythology. As the oldest elementary school in our community (2016 was our 95th anniversary year), we have a long and rich tradition that extends back through several generations of students.

Old Mill provides an excellent education for its students. In addition to the daily guidance provided by our homeroom teachers and support staff, we offer music, art, library, physical education, and dance classes. Old Mill is also a place where we care about others and our planet. We have a Character Education program called the Old Mill Learner Profile and we use mindfulness strategies weekly. Our students, staff, and parents find opportunities every year to help those in need and improve our local and global community.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	15	16	15	177
Without Full Credential	0	0	1	3
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	00	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: January, 2018

Mill Valley School District held a public hearing on September 14, 2017 and determined that each school within the district had sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English learners, have access to standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Materials approved for use by the State are reviewed by teachers and administrators, and a recommendation is made to the School Board. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school (as of January, 2018).

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Heinemann	Yes	0
Mathematics	McGraw-Hill	Yes	0
Science	FOSS	Yes	0
History-Social Science	Scott Foresman	Yes	0

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Old Mill School, originally constructed in 1919 and opened in 1921, is comprised of 14 classrooms, with a designated art room. In addition, the school has a multipurpose room, library, staffroom, and two play structures.

After more than two years of planning and public participation, Mill Valley School District voters approved Measure C on November 3, 2009. Measure C authorizes the District to issue up to \$59.8 million in bonds to pay for Phase 1 of the Facilities Master Plan. Measure C was approved by 66.5% of registered voters who voted in the November general election. Measure C required a minimum of 55% voter approval.

The Facilities Master Plan is the comprehensive plan developed over two years by the District and its Facilities Master Plan Committee. It serves as the blueprint that addresses the District’s future capital and infrastructure needs.

**Cleaning Process**

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

**Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs.

While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Data displayed in the chart was collected in January, 2018.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	89	89	83	81	48	48
Mathematics (grades 3-8 and 11)	92	87	79	76	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	171	170	99.42	88.76
Male	83	83	100	86.75
Female	88	87	98.86	90.7
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Hispanic or Latino	--	--	--	--
White	140	139	99.29	88.41
Two or More Races	17	17	100	88.24
Socioeconomically Disadvantaged	--	--	--	--
Students with Disabilities	15	15	100	86.67

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	171	169	98.83	86.98
Male	83	82	98.8	86.59
Female	88	87	98.86	87.36
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Hispanic or Latino	--	--	--	--
White	140	138	98.57	86.23
Two or More Races	17	17	100	88.24
Socioeconomically Disadvantaged	--	--	--	--
Students with Disabilities	15	14	93.33	85.71

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	96	95	91	93	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2016-17)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	17.9	23.2	35.7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2017-18)

The Parent Teacher Association (PTA) and site leadership provide many opportunities for parent participation, such as annual school-wide events, volunteering in the classroom, and organizing occasional events such as guest speakers and assemblies. The Mill Valley Parks and Recreation Department, Extended Day School (after school care), Girl Scouts, Math Olympiad program, and an elementary Spanish language program provide optional after school programs for interested students.

Parents, community members, and local businesses support local schools through a parcel assessment and contributions to the district Kiddo! Foundation, which raises funds to augment a broad range of school programs, including the arts and technology. An entirely new campus opened in 2014 through community supported bond measures totaling \$26,300,000.

It Takes a Village (ITAV) is Mill Valley's first Special Education PTA. It was formed in 2005 to support students with learning differences and their parents. ITAV provides information and resources to understand, identify and teach students who learn differently. ITAV works closely with school administrators and teachers in order to create positive and productive relationships with parents. The organization sponsors monthly speaker events, informal coffees at parents' homes, and holds children's playgroups at local playgrounds.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
<b>Suspensions</b>	0.6	0.6	0.3	1.3	0.7	1.0	3.8	3.7	3.6
<b>Expulsions</b>	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

#### School Safety Plan (School Year 2017-18)

In conjunction with the district's Comprehensive School Safety Plan, the school conducts annual emergency/disaster drills and trains teachers and volunteers in search and rescue, first aid, and CERT training as provided by local emergency preparedness professionals. The School Site Safety plan is reviewed in October and updated annually. All revisions are communicated to both classified and certificated staff.

Day to day security of the campus is closely monitored by school personnel and a visitor check in/badge system. Designations of school personnel during a disaster is updated annually at a full scale drill which involves students and volunteers as well as Mill Valley Fire Department advisors. Few incidents of vandalism or disruption on weekends take place, and the campus is closely monitored by district maintenance and operations personnel. In addition, students have access to a school counselor as well as their teachers with regard to matters of personal safety on campus.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		Not In PI
First Year of Program Improvement		
Year in Program Improvement*		
Number of Schools Currently in Program Improvement	N/A	0
Percent of Schools Currently in Program Improvement	N/A	0

Note: Cells with N/A values do not require data.

**Types of Services Funded (Fiscal Year 2016-17)**

In addition to general state funding, Mill Valley School District receives state and federal funding for the following categorical funds and other support programs:

- Title I, Part A Low Income
- Title II, Part A Teacher and Principal Training and Recruiting Fund
- Title III, Part A English Language Acquisition, Language Enhancement, and Academic Achievement
- Title III, Immigrant Education
- Special Education Program

Percent of Budget for Administrative Salaries	5%	6%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

**Professional Development (Most Recent Three Years)**

As part of the professional growth process, opportunities for training and staff development are provided at both the district and individual school site level to administrators, teachers, and classified staff. The district offers four staff development days in which staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies. The district-wide focus for professional development for 2015-16, 2016-17 and 2017-18 has been instructional technology, Next Generation Science Standards (NGSS), social-emotional wellness, and global studies.

The Mill Valley School District has worked closely with EdTechTeacher to support its instructional technology initiative. Also, the district has partnered with the California Academy of Sciences for the past two years to support the implementation of NGSS. Teachers and staff have enhanced their strategies for addressing social-emotional wellness by attending presentations led by speakers from EQ Schools, Challenge Success, as well as by participating in other professional development related to social-emotional learning. In addition, the district has provided teachers the opportunity to deepen their understanding of global studies and how to help develop globally minded students by attending global education workshops, conferences, and presentations.
