Park Elementary School School Accountability Report Card Reported Using Data from the 2016-17 School Year Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <u>http://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Park School is one of six schools in the Mill Valley School District, which is comprised of five elementary schools and one middle school.

Park was originally built in 1909. Major renovations were completed in 2012. Our classic art-deco building is located in the center of Mill Valley across from Boyle Park. We have a thriving school garden, three play structures and a large turf field.

With support from the PTA and KIddo!, Park School offers children a high quality educational program. Students participate in many special curriculum projects such as Astronomy Day, Poetry Café, Colonial Fair and a school-wide Ocean Study. Classroom teachers work closely with our specialists to integrate art, music, dance, technology and poetry throughout our program. In addition, we are proud of our strong focus on character education, mindfulness, the partnership between Zero Waste Marin and our Student Green Team, and our many community service projects.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: January, 2018

Mill Valley School District held a public hearing on September 14, 2017 and determined that each school within the district had sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English learners, have access to standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Materials approved for use by the State are reviewed by teachers and administrators, and a recommendation is made to the School Board. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school (as of January, 2018).

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Heinemann	Yes	0
Mathematics	Pearson Investigations	Yes	0
Science	FOSS	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

Park School was originally constructed in 1909 and is comprised of 16 classrooms, with a designated art room. In addition, the school has a multipurpose room, library, staffroom, playground, and three play structures.

After more than two years of planning and public participation, Mill Valley School District voters approved Measure C on November 3, 2009. Measure C authorizes the District to issue up to \$59.8 million in bonds to pay for Phase 1 of the Facilities Master Plan. Measure C was approved by 66.5% of registered voters who voted in the November general election. Measure C required a minimum of 55% voter approval.

The Facilities Master Plan is the comprehensive plan developed over two years by the District and its Facilities Master Plan Committee. It serves as the blueprint that addresses the District's future capital and infrastructure needs.

Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs.

While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Data displayed in the chart was collected in January, 2018.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)							
Subject	School		District		State			
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17

Mathematics (grades 3-8 and 11)	83	81	79	76	36	37		

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	171	169	98.83	76.92

Two or More Races	14	14	100	92.86
Socioeconomically Disadvantaged				
English Learners				
Students with Disabilities	16	15	93.75	66.67

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Students with Disabilities	17	16	94.12	75

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

Science (grades 5, 8, and 10)	84	87	91	93	56	54		

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade	Percent of Students Meeting Fitness Standards						
Level	Four of Six Standards	Five of Six Standards	Six of Six Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

The Parent Teacher Association (PTA) and site leadership provide many opportunities for parent participation. The Mill Valley Parks and Recreation Department and a parent supported elementary foreign language program provide optional before and after school programs for interested students.

Parents, community members, and local businesses support local schools through a parcel assessment and contributions to Kiddo!, which raises funds to augment a broad range of school programs, including the arts and technology. A new campus opened in 2014 through community supported bond measures totaling \$26,300,000.

It Takes a Village (ITAV) is Mill Valley's first Special Education PTA. It was formed in 2005 to support students with learning differences and their parents. ITAV provides information and resources to understand, identify and teach students who learn differently. ITAV works closely with school administrators and teachers in order to create positive and productive relationships with parents. The organization sponsors monthly speaker events, informal coffees at parents' homes, and holds children's playgroups at local playgrounds.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2017-18)

Safety of students and staff is a primary concern of Park School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually. All revisions are communicated to both the classified and certificated staff. In conjunction with the district's Comprehensive School Safety Plan, teachers and volunteers are trained by local emergency preparedness professionals in search and rescue and first aid .The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year.

Students are supervised before school by staff and volunteers. There is a designated area for student drop off and pick up. Day to day security of the campus is closely monitored by school personnel and a check in/badge system. Students and parents report feeling that students are safe on our campus. Few incidents of vandalism or disruption on weekends take place, and the campus is closely monitored by district maintenance and operations personnel.

Discipline & Climate for Learning

The Park School Community works together to provide a safe, caring environment where uniqueness and differences are respected and all children are supported to reach their full potential. Staff and parents alike are committed to a tradition of academic excellence and social skill development. In addition, students have access to a school counselor as well as their teachers with regard to matters of personal safety on campus.

Parents provide strong support to all aspects of the school program and play an integral part in the education of the children. They are active partners who contribute time and expertise to the school in order to support classroom programs and special events. A high percentage of families volunteer their time in one or more school projects. The PTA's motto is "What's Your One Thing?" This is in reference to volunteerism for the classroom and the school.

We provide our students with a secure, caring, and challenging environment along with the knowledge, skills, and love of learning necessary for them to become successful adults. The district's "Kinder Than Necessary" motto originated at Park School.

Professional Development (Most Recent Three Years)

As part of the professional growth process, opportunities for training and staff development are provided at both the district and individual school site level to administrators, teachers, and classified staff. The district offers four staff development days in which staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies. The district-wide focus for professional development for 2015-16, 2016-17 and 2017-18 has been instructional technology, Next Generation Science Standards (NGSS), social-emotional wellness, and global studies.

The Mill Valley School District has worked closely with EdTechTeacher to support its instructional technology initiative. Also, the district has partnered with the California Academy of Sciences for the past two years to support the implementation of NGSS. Teachers and staff have enhanced their strategies for addressing social-emotional wellness by attending presentations led by speakers from EQ Schools, Challenge Success, as well as by participating in other professional development related to social-emotional learning. In addition, the district has provided teachers the opportunity to deepen their understanding of global studies and how to help develop globally minded students by attending global education workshops, conferences, and presentations.
