

**Edna Maguire School**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Edna Maguire Elementary School is one of six schools in the Mill Valley School District, which is comprised of five elementary schools and one middle school. Edna Maguire School is a unique and delightful place. We are proud of our community of enthusiastic, dedicated students, families and staff who work together to make Edna a school where children love to learn. Our beautiful new campus, built in 2014, includes the newest technology and a large garden with an outdoor classroom. The district Kiddo! foundation provides exceptional programs in the arts. The rich ethnic makeup of our student body is unique with a student population that includes speakers of 13 different languages. At Edna Maguire, we value the energy and commitment of our community, openness among all staff members, and individuality and creative freedom in pursuit of common learning goals for students. We believe in hard work and fun, that students do best when staff have the time and tools to collaborate and develop learning experiences, and that every student has unique learning needs that need to be met in order for them to reach their potential.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	35	33	34	170
Without Full Credential	0	0	0	2
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** January, 2020

Mill Valley School District held a public hearing on September 14, 2020 and determined that each school within the district had sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English learners, have access to standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Materials approved for use by the State are reviewed by teachers and administrators, and a recommendation is made to the School Board. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school (as of January, 2020).

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	Heinemann, and CCSS-based teacher developed instructional materials	Yes	0
<b>Mathematics</b>	McGraw-Hill ,and CCSS-based teacher developed instructional materials	Yes	0
<b>Science</b>	Amplify, Mystery Science, and NGSS-based teacher developed instructional materials	Yes	0
<b>History-Social Science</b>	Scott Foresman, and HSS standards-based teacher developed instructional materials	Yes	0
<b>Visual and Performing Arts</b>	Visual and performing arts standards-based teacher developed instructional materials	Yes	0

## School Facility Conditions and Planned Improvements

Edna Maguire School was originally constructed in 1956 and is comprised of 37 classrooms, with a designated art room and music room. In addition, the school has a multipurpose room, library, staffroom, playground, field, and play structure.

After more than two years of planning and public participation, Mill Valley School District voters approved Measure C on November 3, 2009. Measure C authorizes the District to issue up to \$59.8 million in bonds to pay for Phase 1 of the Facilities Master Plan. Measure C was approved by 66.5% of registered voters who voted in the November general election. Measure C required a minimum of 55% voter approval.

The Facilities Master Plan is the comprehensive plan developed over two years by the District and its Facilities Master Plan Committee. It serves as the blueprint that addresses the District's future capital and infrastructure needs.

### Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning and disinfection of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs.

While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Data displayed in the chart was collected in January 2021.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	83	N/A	80	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2019-2020)

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

The Parent Teacher Association (PTA) and site leadership provide many opportunities for parent participation. Monthly PTA Association meetings are hosted at the school for parents to join the discussions and decision making around PTA-sponsored school programming. Our very active PTA sponsors many community building events throughout the school year. Additionally, Edna Maguire has an Inclusion and Diversity Committee, comprised of parents, teachers, and the principal, who collaborate on developing school-wide learning experiences focused on inclusion and diversity in and beyond our community. Our Site Council also offers parents the opportunity to participate in school planning and goal setting. It Takes a Village (ITAV) is Mill Valley's Special Education PTA to support students with learning differences and their parents. ITAV provides information and resources to understand, identify and teach students who learn differently.

Parents, community members, and local businesses support local schools through a parcel assessment and contributions to Kiddo!, which raises funds to augment a broad range of programs, including visual and performing arts, and music. A new campus opened in 2014 through community supported bond measures totaling \$26,300,000. In non-pandemic conditions, at the classroom level, parents are frequently invited to join students on field trip excursions, participate in special programs, and work with small groups of students in regularly scheduled learning centers. Our art, garden and library programs offer weekly volunteer opportunities for parents. All parent volunteer opportunities have been suspended during the COVID-19 pandemic.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.3	0.6	1.9	1.3	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.8	0.6	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**School Safety Plan (School Year 2020-2021)**

Safety of students and staff is a primary concern of Edna Maguire Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to safety standards. The school has a Comprehensive School Safety Plan that includes strategies and programs to address a) child abuse reporting procedures; b) disaster procedures; c) policies regarding actions leading to suspension and/or expulsion; d) procedures to notify teachers of dangerous pupils; e) sexual and gender-based harassment policies; f) school-wide dress code; g) procedures for safe ingress and egress of pupils; h) rules and procedures on school discipline; i) bullying and harassment policies; j) suicide prevention measures; k) school counseling; l) school resource officer, and m) a COVID-19 Site Specific Safety Protection Plan (SSSPP). The plan is reviewed and updated annually by the School Site Council. It was reviewed and updated in the Fall of 2020 and approved by the site council on December 14, 2020.

In conjunction with the district's Comprehensive School Safety Plan, staff is trained by local emergency preparedness professionals in search and rescue and first aid. The school's emergency preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year. All certificated staff participate in an annual "table-top" disaster drill in preparation for a school and district-wide full-scale disaster drill. This drill involves simulations of injured, missing and trapped students, as well as parents picking up their children from student release. Local fire and police personnel are on-site to provide feedback on search and rescue and communication protocols.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	3

As part of the district's professional growth program, opportunities for training and staff development are provided at both the district and individual school site level to MVSD staff. The district has three staff development days in which teachers are offered professional growth opportunities related to curriculum, teaching strategies, and instructional methodologies, as well as collaborative planning time. The district places an emphasis on teachers learning from and with one another through teacher-facilitated interest based professional development, collaboration and planning time.

In 2018/19 and 2019/20, the District's Instructional Technology Coach and Global Studies Coach lead workshops throughout the school year, and provide small-group/one-on-one coaching support to teachers on global competence, instructional technology, social-emotional wellness, and equity.

This year, 2020-21, we were able to offer 16 hours of optional professional development prior to school starting to allow teacher teams to collaborate on unit development and best practices around remote instruction. All certificated staff came together for 3 full days designed to address equity, SEL, assessment, technology and best practices in Distance Learning. All certificated staff received a copy of The Distance Learning Playbook to promote deeper implementation of best practices during remote instruction.

Throughout the school year, all staff received training on our new benchmark assessment system i-Ready and how to use the on-line academic practice component to strengthen reading and math skills. Mill Valley School District is dedicated to deepening our work on equity, partnering with Facing History and Ourselves to provide training to site and district leaders this year and school site staff members the following year in 2021-22.
