

Ground Rules

We are recording so we can listen and talk with you and refer to the recording for details later. We will not link any names to the recording.

Please be honest. All responses will be confidential. There are no right/wrong answers.

Please respond only for yourselves, unless you have direct knowledge of the experience of another student that you think would be helpful.

For the purposes of this conversation, please think of the “1:1 Program” as the iPad each student receives from the District, that is yours to use at school and at home.
