

Dear \_\_\_\_\_,

You are invited to attend a 1:1 Program Student Feedback Lunch on Thursday, May 26th, in the conference room. You will be part of a randomly selected group of 15 students to provide your perspective about the 1:1 iPad Program this year. We are especially interested in hearing about your experience with the iPad in class and at home, whether positive or negative. There are no “right or wrong” answers, we would just like to hear your thoughts.

**We will provide pizza, fruit, and drinks.**

Please contact me if you have any questions.

Thank you,

Kate Sprague
