

# The Weekly Howler

*A remote learning weekly bulletin for students of Mill Valley Middle School*

Wednesday, April 22nd, 2020

Vol I, Issue 1

## **Howls of the Week**

MVMS Green Team wants to remind you that today is the 50th anniversary of Earth Day! Even though we can't gather to celebrate together, we can all find one thing we can do at home to celebrate, whether it be spending time outside, planting something in the garden, or exploring Earth Day websites online, like the one from the Exploratorium that is tracking data around the world about how the COVID crisis has impacted global climate emissions. Ready for a little good news? [Click here](#) for more information!

## **Next Week's Howling**

As a reminder, during the subject area "Live Office Hours," your teachers who teach the subject will inform you of the specific time your class will meet within the window. All MVMS students are expected to follow their teachers' guidelines around "Live Office Hours" and attend the sessions for guidance, assistance, and connection with their teachers and classmates.

## **Highlighting our Howlers**

As our remote learning began over a month ago, our 6th grade wheel classes put together a wonderful video that shows the spirit of the Mill Valley Community, who come together each night at 8:00PM and howl for all our healthcare and essential workers! Check it out! ([Mill Valley Howls Video](#))

## **Announcements**

- Be sure to your check Grade Level Google Classroom daily for all important information
- We have a "Remote Learning" page on the website! Be sure to check out the [link](#) for all information
- 7th graders - WEB applications are due this Friday, April 24th (11:59PM)
- 8th graders - the PTSA is sponsoring a t-shirt design contest to celebrate our graduating class. Details to come!
- Howl at 8:00 for all our essential workers!
