Vol I, Issue 4

Howls of the Week

Students, we are planning for the best way to collect textbooks, 8th Grade iPads, library books and/or other materials by the end of the school year. We are also working on how to best distribute medications, class work, projects, PE equipment, and yearbooks. As soon as we determine all the details and craft a plan to safely collect and distribute materials, we will communicate with all students and families.

This Month's Howling!

Safe Routes to School is sponsoring a "Bike Week" competition in the Month of May (any five days in May). Families are biking more than ever throughout Marin during this time, and we want to ensure everyone is staying safe while also having fun! The Middle School Bike Week Contest ([click here for details](#)) provides a week of daily activities preparing students to safely ride a bicycle. Safe Routes to School Social Distancing Tips are included as well!

Highlighting our Howlers

A call for the Kiddo! Art Show! Ms. Leonard, Ms. Tran, and Ms. Thiel want to celebrate your creative accomplishments this year with an online Art Show! In coordination with Kiddo, we invite all Art students to participate in our Mill Valley School District Online Art Collection. Please submit a photo of your favorite artwork from a Distance Learning Lesson as a jpeg attachment to MVKidsArtShare@kiddo.org. (Deadline to submit: Friday, May 22. This is not a juried show and all appropriate work will be included. Please remove visible names from your artwork). Contact your Art teacher for more information.
