

# The Weekly Howler

*A remote learning weekly bulletin for students of Mill Valley Middle School*

Wednesday, May 27, 2020

Vol I, Issue 5

## **Howls of the Week**

We are working on a plan for the collection and distribution of items (textbooks, yearbooks, library books, etc.) Each grade level will be assigned a day to come on campus to return and pick-up any items. 8th graders will come to campus on Monday, June 8th, 7th graders on Tuesday, June 9th, and 6th graders on Wednesday, June 10th. We will need to minimize the number of people on campus, so there will be specific procedures in place to protect the health and safety of all staff, students, and parents. Specific details will be sent by next week.

## **This Week's Howling!**

The City of Mill Valley has launched a Community Support Line! The Community Support Line is designed to connect Mill Valley residents with support services currently being offered by local community-based organizations, Marin County, and the state. The support line will be available Monday through Friday from 10am - 2pm. Please [click here](#) for details.

## **Highlighting our Howlers**

It feels like a lifetime ago that we applauded for the students through their performances of ***Peter Pan***. Thanks to Tam sophomore (and Cabaret alum) Owen Butler and his family, we are able to provide you the link to the video recording of the show. Watching it back now seems surreal, but it is a reminder of the incredible experience we all had together -- and will hopefully be a silver lining for your kids to see now.
