Howls of the Week

The midterm progress reports will be made available at the end of next week. Ms. Lazzarini will be sending a notice to all families regarding the midterm grades. We want all students to continue to work hard and do their best. This has been an extremely different and unique start to the school year, but we are so proud of all our students, teachers, and staff for the way have come together as a community. This is certainly not ideal and we want more than anything for all of us to be together again, but we are grateful for the ways we have all come together in support of one another. Panther Pride!

We will have a couple of clubs beginning in the coming weeks as well as some community service opportunities. More information to come, so please be sure to check Google Classroom, visit the Distance Learning website, watch Panther Community, and read all communications from the school and district on Parent Square.

Future Howls

As we move into the second half of the first trimester, and now that we are utilizing Google Classroom, the Distance Learning Website, Panther Community Time, our and Daily Bulletin, we will be moving the "The Weekly Howler" to "The Howler." Rather than weekly editions of "The Weekly Howler, we will have monthly versions of "The Howler" available on the first of every month. Our next edition of "The Howler" will be available the end of October or first few days of November. All important announcements and communications will still be made available via Google Classroom, Panther Community, and Parent Square.
