What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	No	My child worked independently	4
All of my children would return to physical school	Yes	Parent, Nanny, Au Pair, Babysitter, One or more of my children worked independently	3

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small
	I don't know right now	
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	I don't know right now	
	I don't know right now	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	One or more of my children worked independently	3
All of my children would return to physical school	No	Parent, One or more of my children worked independently	3
Unsure	No	Parent	5

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	
	No, I would not send my children to school	Cohort sizes are small, Additional safety precautions are implemented
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	Parent	4
All of my children would return to physical school	Yes	Parent	2
Unsure	Don't know at this time	Parent	2
All of my children would return to physical school	Don't know at this time	Parent	4

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	My children have different needs, so I would keep one or more children at home and send other children to school	Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented, Other
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	Other
	I don't know right now	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented, Other
	I don't know right now	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Classroom time is shortened
	I don't know right now	Cohort sizes are small, Classroom time is shortened
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
Some of my children would return to school while some would continue remotely	No	Parent	3
All of my children would continue remote learning	No	Parent, Relative, My child worked independently	4
All of my children would return to physical school	No	Parent	3
All of my children would return to physical school	Yes	Parent	1
Unsure	No		2

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	No, I would not send my children to school	Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	No, I would not send my children to school	Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	Don't know at this time	Parent, Nanny, Au Pair, Babysitter	1
All of my children would return to physical school	No	Parent	4
All of my children would return to physical school	Yes	Parent, One or more of my children worked independently	2
All of my children would return to physical school	Yes	Parent	1
Unsure	Yes	Parent	4
All of my children would return to physical school	Yes	Parent	1
All of my children would return to physical school	Yes	Parent, Relative	1
All of my children would return to physical school	Yes	Parent	1
All of my children would return to physical school	Yes	Parent, Sibling, My child worked independently, One or more of my children worked independently	2
Some of my children would return to school while some would continue remotely	No	Parent, Sibling, One or more of my children worked independently	4
All of my children would return to physical school	Don't know at this time	Parent, My child worked independently	3
All of my children would continue remote learning	No	Parent	3
All of my children would return to physical school	Yes	Parent	3

What difficulties, if any, have your children faced with access to remote learning? (Check all that apply)	If county officials require small cohorts of students in person part time alternating with some form of remote learning part time, which schedule would you most prefer IF there is flexibility?	Do you receive daily updates from the Marin County Department of Health?	Will your child attend summer camp in June, July or August?
Having access to hard copy instructional materials for my child, No available devices or not sufficient devices, Cannot use the technology effectively to access services (e.g. iPad or links not working), Difficulty understanding the assignments, Parent not available to assist, Difficulty with lack of in-person learning time	Students attend 5 days per week for a few hours	No, I don't want daily updates	Not sure yet

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	Cohort sizes are small
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	No	One or more of my children worked independently	5
All of my children would return to physical school	Yes	Parent	1

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	Other
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	Parent, Sibling	1
All of my children would return to physical school	Don't know at this time	Parent, One or more of my children worked independently	3
All of my children would return to physical school	No	One or more of my children worked independently	4
All of my children would continue remote learning	No	Parent, Sibling	4
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	No	Parent, Nanny, Au Pair, Babysitter	2
All of my children would return to physical school	No	Parent	1
All of my children would continue remote learning	No	Parent	5
All of my children would return to physical school	No	Parent	4
All of my children would return to physical school	Yes	Parent	4
All of my children would return to physical school	No	Parent	3
All of my children would continue remote learning	No	Parent	3
All of my children would return to physical school	Yes	Parent, My child worked independently, One or more of my children worked independently	3
All of my children would return to physical school	No	Parent, Sibling, Relative, One or more of my children worked independently	4
All of my children would return to physical school	No	Parent, One or more of my children worked independently	2

What difficulties, if any, have your children faced with access to remote learning? (Check all that apply)	If county officials require small cohorts of students in person part time alternating with some form of remote learning part time, which schedule would you most prefer IF there is flexibility?	Do you receive daily updates from the Marin County Department of Health?	Will your child attend summer camp in June, July or August?
Parent not available to assist, Child under stress, Difficulty with lack of in-person learning time, Other	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	Yes

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	My children have different needs, so I would keep one or more children at home and send other children to school	Cohort sizes are small
	Yes I would send my children to school	
	I don't know right now	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	Additional safety precautions are implemented
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
Some of my children would return to school while some would continue remotely	No	Parent, My child worked independently	3
All of my children would return to physical school	Yes	Parent	2
Unsure	Yes	Parent, My child worked independently	3
All of my children would continue remote learning	No	Parent	5
Unsure	No	Parent, My child worked independently	3
All of my children would return to physical school	No	Parent, My child worked independently, One or more of my children worked independently	3
All of my children would continue remote learning	No	Parent, Sibling, My child worked independently, One or more of my children worked independently	2
All of my children would return to physical school	No	Parent	4
All of my children would return to physical school	Yes	Parent, Sibling	2
All of my children would return to physical school	No	Parent, My child worked independently	2
Unsure	No	Parent	1
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	Yes	Parent	1
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	No	Parent, One or more of my children worked independently	4

What difficulties, if any, have your children faced with access to remote learning? (Check all that apply)	If county officials require small cohorts of students in person part time alternating with some form of remote learning part time, which schedule would you most prefer IF there is flexibility?	Do you receive daily updates from the Marin County Department of Health?	Will your child attend summer camp in June, July or August?
Having access to hard copy instructional materials for my child, Cannot use the technology effectively to access services (e.g. iPad or links not working), Child under stress, Difficulty with lack of in-person learning time, Zoom fatigue	Students attend 5 days per week for a few hours	Yes	Not sure yet
Difficulty understanding the assignments, Parent not available to assist, Zoom fatigue	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	No
Cannot use the technology effectively to access services (e.g. iPad or links not working), Parent not available to assist, Difficulty with lack of in-person learning time, Zoom fatigue	If students cannot return to a 5 day regular hours structure, I prefer all remote learning	Yes	Yes

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine
	I don't know right now	Cohort sizes are small, Other
	No, I would not send my children to school	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	I don't know right now	There is a vaccine
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	No, I would not send my children to school	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Other
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	Parent	3
All of my children would continue remote learning	No	Parent, My child worked independently	5
Some of my children would return to school while some would continue remotely	No	Parent	3
Unsure	No	My child worked independently	5
All of my children would return to physical school	Yes	Parent	1
All of my children would continue remote learning	No	Parent	5
All of my children would return to physical school	Yes	Parent	1
Unsure	No	Parent	3
Unsure	No	Parent, One or more of my children worked independently	4
All of my children would return to physical school	No	Parent, One or more of my children worked independently	3
All of my children would return to physical school	No	Parent, One or more of my children worked independently	1
All of my children would continue remote learning	Yes	Parent	3
All of my children would return to physical school	Yes	Parent	3
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	Don't know at this time	Parent	2

What difficulties, if any, have your children faced with access to remote learning? (Check all that apply)	If county officials require small cohorts of students in person part time alternating with some form of remote learning part time, which schedule would you most prefer IF there is flexibility?	Do you receive daily updates from the Marin County Department of Health?	Will your child attend summer camp in June, July or August?
Difficulty with lack of in-person learning time, Zoom fatigue	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	Not sure yet
No difficulties	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	No, I didn't know about daily update/didn't know how to get them	No
Difficulty with lack of in-person learning time, Zoom fatigue	Students attend 5 days per week for a few hours	Yes	No

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	Yes I would send my children to school	
	I don't know right now	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	Parent, My child worked independently	1
All of my children would return to physical school	No	Parent	3
Some of my children would return to school while some would continue remotely	No	Parent, One or more of my children worked independently	3

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	Yes I would send my children to school	Additional safety precautions are implemented
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine
	Yes I would send my children to school	
	I don't know right now	Additional safety precautions are implemented
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small
	No, I would not send my children to school	Cohort sizes are small

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	No	Parent, One or more of my children worked independently	3
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	Yes	Parent, Nanny, Au Pair, Babysitter	2
All of my children would continue remote learning	Don't know at this time	Parent	2
All of my children would return to physical school	No	Parent	4
All of my children would return to physical school	Yes	Parent, One or more of my children worked independently	3
All of my children would return to physical school	Yes	Parent, Nanny, Au Pair, Babysitter, One or more of my children worked independently	2
Unsure	No	Parent	4
All of my children would return to physical school	Yes	Parent	1

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	No, I would not send my children to school	Cohort sizes are small
	Yes I would send my children to school	
	I don't know right now	Other
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented, Other
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small
	I don't know right now	
	I don't know right now	There is a vaccine, Additional safety precautions are implemented
	I don't know right now	Cohort sizes are small, Classroom time is shortened
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would continue remote learning	Yes	Parent	3
All of my children would return to physical school	Yes	Parent	1
Unsure	No	Parent	3
All of my children would return to physical school	No	Nanny, Au Pair, Babysitter	2
All of my children would return to physical school	Yes	Parent	1
Unsure	No	Parent, My child worked independently	3
All of my children would return to physical school	No	Parent	3
Unsure	Don't know at this time	Parent	4
	Don't know at this time	Parent	4
Some of my children would return to school while some would continue remotely	Yes	Parent, Relative	3
Unsure	No	Parent, Relative	3
Unsure	No	One or more of my children worked independently	5
All of my children would return to physical school	No	Parent	3
Unsure	No	Parent	2
All of my children would return to physical school	Don't know at this time	Parent	2
All of my children would return to physical school	Yes	Parent	3

What difficulties, if any, have your children faced with access to remote learning? (Check all that apply)	If county officials require small cohorts of students in person part time alternating with some form of remote learning part time, which schedule would you most prefer IF there is flexibility?	Do you receive daily updates from the Marin County Department of Health?	Will your child attend summer camp in June, July or August?
Parent not available to assist, Zoom fatigue	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	No
No available devices or not sufficient devices, Difficulty understanding the assignments, Parent not available to assist, Difficulty with lack of in-person learning time	Students attend 5 days per week for a few hours	No, I don't want daily updates	Yes
Other	Students attend 5 days per week for a few hours	Yes	Yes
Difficulty with lack of in-person learning time, Other	Students attend 5 days per week for a few hours	Yes	Yes
	Students attend 5 days per week for a few hours	No, I didn't know about daily update/didn't know how to get them	Yes
Having access to hard copy instructional materials for my child, Difficulty understanding the assignments, Difficulty with lack of in-person learning time, Zoom fatigue	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	No, I don't want daily updates	Not sure yet

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	Cohort sizes are small
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small, Additional safety precautions are implemented
	No, I would not send my children to school	There is a vaccine
	I don't know right now	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	I don't know right now	Additional safety precautions are implemented
	Yes I would send my children to school	
	I don't know right now	Additional safety precautions are implemented
	Yes I would send my children to school	Other
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine
	Yes I would send my children to school	
	Yes I would send my children to school	Cohort sizes are small
	I don't know right now	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would return to physical school	Yes	Parent	3
All of my children would continue remote learning	No	My child worked independently	5
Unsure	No	Parent, Sibling, My child worked independently, One or more of my children worked independently	4
All of my children would return to physical school	Yes	Parent	1
All of my children would continue remote learning	Yes	Parent	2
All of my children would continue remote learning	No	Parent	4
Unsure	No	Parent, Nanny, Au Pair, Babysitter	3
Unsure	No	Parent	1
All of my children would return to physical school	Yes	Parent, Nanny, Au Pair, Babysitter	1

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	No, I would not send my children to school	There is a vaccine, Additional safety precautions are implemented, Other
	Yes I would send my children to school	
	Yes I would send my children to school	
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Additional safety precautions are implemented
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented, Other
	No, I would not send my children to school	There is a vaccine
	No, I would not send my children to school	There is a vaccine
	Yes I would send my children to school	
	Yes I would send my children to school	
	I don't know right now	Cohort sizes are small, Classroom time is shortened, Additional safety precautions are implemented
	I don't know right now	
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would continue remote learning	Don't know at this time	Parent, My child worked independently	4
All of my children would continue remote learning	No	Parent, One or more of my children worked independently	4
All of my children would return to physical school	Yes	Parent	3
All of my children would return to physical school	Yes	Parent, Relative, Nanny, Au Pair, Babysitter	2
Some of my children would return to school while some would continue remotely	No	Parent, My child worked independently, One or more of my children worked independently	4
All of my children would return to physical school	Yes	Parent	2
All of my children would return to physical school	Yes	Parent	3
All of my children would return to physical school	Don't know at this time	Parent	1
Unsure	No	Parent	2
All of my children would continue remote learning	No	One or more of my children worked independently	1
All of my children would continue remote learning	Don't know at this time	Parent, My child worked independently	1
All of my children would return to physical school	No	Parent, My child worked independently	4
All of my children would return to physical school	Yes	Parent, Relative, Nanny, Au Pair, Babysitter	1
Unsure	No	Parent, My child worked independently	2
All of my children would return to physical school	Don't know at this time	Parent, My child worked independently	3
All of my children would return to physical school	Yes	Parent	2

What difficulties, if any, have your children faced with access to remote learning? (Check all that apply)	If county officials require small cohorts of students in person part time alternating with some form of remote learning part time, which schedule would you most prefer IF there is flexibility?	Do you receive daily updates from the Marin County Department of Health?	Will your child attend summer camp in June, July or August?
Other	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	No

What grade will your children be in during the 2020-21 school year? [Child #5]	If county officials reopen schools in the fall with large cohorts (similar to usual class sizes) attending in person with safety precautions consistent with county health guidelines (which currently include cohorts, social distancing and disinfecting protocols), would you send your children to school?	If you answered no to Question #1, what circumstances would be required for you to send your child to school? (check all that apply)
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	I don't know right now	Cohort sizes are small
	No, I would not send my children to school	There is a vaccine, Cohort sizes are small, Additional safety precautions are implemented
	Yes I would send my children to school	
	No, I would not send my children to school	Cohort sizes are small
	My children have different needs, so I would keep one or more children at home and send other children to school	Cohort sizes are small, Classroom time is shortened
	Yes I would send my children to school	

If county health officials reopen schools with safety guidelines and remote learning was an option, which would you choose:	If county health officials require full-time or part-time remote learning, would child care be a concern?	The person who helped my child at home during remote learning (check all that apply):	Was supporting remote learning difficult for your family?
All of my children would continue remote learning	Don't know at this time	Parent, One or more of my children worked independently	3
Unsure	No	Parent	4
All of my children would return to physical school	Yes	Parent, Nanny, Au Pair, Babysitter	1
All of my children would return to physical school	Yes		1
All of my children would continue remote learning	No	Parent	4
Some of my children would return to school while some would continue remotely	No	Parent, Sibling, My child worked independently, One or more of my children worked independently	5
All of my children would return to physical school	No	Parent, My child worked independently	4

What difficulties, if any, have your children faced with access to remote learning? (Check all that apply)	If county officials require small cohorts of students in person part time alternating with some form of remote learning part time, which schedule would you most prefer IF there is flexibility?	Do you receive daily updates from the Marin County Department of Health?	Will your child attend summer camp in June, July or August?
Difficulty understanding the assignments, Child under stress, Difficulty with lack of in-person learning time, Other	If students cannot return to a 5 day regular hours structure, I prefer all remote learning	Yes	No
Difficulty with lack of in-person learning time	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	Yes
No available devices or not sufficient devices, Cannot use the technology effectively to access services (e.g. iPad or links not working), Difficulty understanding the assignments, Parent not available to assist, Child under stress, Difficulty with lack of in-person learning time, Zoom fatigue	Other	No, I didn't know about daily update/didn't know how to get them	No
Parent not available to assist, Difficulty with lack of in-person learning time	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	Yes
Difficulty with lack of in-person learning time	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	No
No difficulties	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	No
Cannot use the technology effectively to access services (e.g. iPad or links not working)	Students attend school fewer than 5 days per week (for example, 2 days of school, 3 days remote)	Yes	No
