

The Howler

*A Distance Learning monthly bulletin for our Mill Valley Middle School
Community*

December 2020
Vol II, Issue 8

Howls of the Month

We are so thrilled to welcome students back on campus this month in our new Hybrid Schedule, and we anxiously await the day we will have all our students back on campus as we have a number of students participating in our Extended Distance Learning Program.

The first few weeks have gone really smooth and it has been wonderful to see everyone on campus. Please click [here](#) to see a few pictures of some students as we welcome them back to campus.

As a reminder, we currently have two programs running: 1) The Extended Distance Learning Program coordinated by Dr. Patterson and Ms. McLaughlin; and 2) Our Hybrid Model 3x3 program for in-person instruction. Until January 22 all students will be attending Periods 1-3, and between January 25 and March 12, students will attend Periods 4-6.

Regardless of which program students attend, it is important that all of us adhere to the 3 W's no matter where we are, whether it in school, at stores, on walks, out in the community, etc. We must always remember to: 1) Wear a face covering at all times; 2) Wait six feet apart from other people; 3) Wash hands frequently.

As we continue in our Holiday Season, we know that it will look and feel different for all of us. But, if we continue to work together as community, and all do our part, we can get through this time. From all of us at MVMS, we wish everyone a safe, healthy, happy, and joyous Holiday Season!

Announcements

- Be sure to check Grade Level Google Classroom for announcements
- All information around Distance learning can be found [here](#) (on our webpage)
